

Giving Wings & Wheels to Imagination

sponsored by Big Art Collaborative, presented by Lykins Energy Solutions

The Barn | Woman's Art Club Cultural Center, 6980 Cambridge Avenue, Mariemont OH 45227

Exhibition Open During Gallery Hours | October 3 – 11

Exhibition Opening Reception + Awards Selection and Presentation | Saturday, October 3, 5 - 8 PM — Public Invited

The goal of this exhibition is to showcase works that are usually excluded from other exhibitions due to size. In addition to including the works of artists who usually express themselves in big ways, we encourage those who do not to go BIG. Two-dimensional works with a unified unframed measurement of at least 65 inches (width + height) and three-dimensional works with a unified measurement of at least 110 inches (width + height + depth) will be considered for the exhibition. Excluded Media: Computer-generated art.

This exhibition has been organized by Big Art Collaborative (BAC). The members of BAC are also Woman's Art Club of Cincinnati members; they are Bobbi Thies (chairwoman), Bev Seibert (secretary/treasurer), Judith Affatato, Kathryn Al-Lamadani, Bonita Goldberg, Claire Long, Gail Lundgren, Angie Meehan, and Marie Smith.

Selection: Marie Rigney, art consultant at Eisele Gallery of Fine Art, will curate this exhibition to include as many submissions as possible; however, due to the size limitations of the exhibition space, some submissions may have to be declined for that reason alone.

Eligibility: Woman's Art Club Members whose membership dues are current as of September 1st. We hope to expand this exhibition concept to include female artists aged 18 and older residing in the tristate area, non-traditional visual expressions, and additional venues.
